profile

I am looking to gain real-world experience that will provide me with the opportunity for growth and improvement. I am a motivated, innovative, and open-minded individual who works well with others and always pays attention to detail. Interested in print design, UX UI design, illustration, and branding.

work experience

ART DIRECTOR AND PROJECT MANAGER

SASD Design Service, Bridgeport CT / August 2019-January 2021

- Led a total of 15 individuals on 8 separate projects
- Created work for clients within teams of multiple mediums and forms
- Communicated with clients and developed and executed presentations

FARM AIDE AND MEDIA DESIGNER

Laurel Glen Farm, Shelton CT / May 2015-December 2021

- Responsible for creating content for and managing social media
- Grew social media following and subscription enrollment 200% over one year
- Designed ads and visual aids for promotion and sales

DESIGN TEACHING ASSISTANT

University of Bridgeport / August 2019-May 2020

- Responsible for grading assignments, class participation, and exams
- Created lesson plans and taught material during class hours
- Served as a T.A. for FYS Design Thinking and 3D Design

GRAPHICS COORDINATOR, TEDx

University of Bridgeport / April 2019-November 2019

- Designed logo, posters, wayfinding, handouts, and clothing for Bridgeport's first ever TEDx talk, held at the University of Bridgeport.
- Oversaw operations for printing materials and accessories
- Managed online presence and promotion of the event
